CTC

[ ] Are you in a Controlled Location?

*Mimico

If **YES**, Rule 573(b) is applicable. The Train can reverse to re-spot the platform on Verbal Permission from the RTC. After re-spotting the train you **MUST** contact the **RTC.**

[ ] Are you going to reverse greater than 300'? If YES, you MUST go flagging as **573 (c)(ii)**.

[ ] Are you within 100 feet of a crossing? If **YES**, be prepared to manually protect the crossing as per **103.1(a).**

[ ] Are you in a Rule **42** or will you re-enter a Rule **42**? If **YES**, Permission required from the Foreman.

[ ] Advise the NOC once move is complete.

USRC

[ ] Have you contacted the appropriate TMD and obtained permission?

[ ] Have you advised the NOC that a reverse move is required?

[ ] Reference MX GOI 4.19.7 for USRC Reverse Move Requirements and the USRC timetable must be followed!
